

100 Afghans to Knit & Crochet

Avid knitters and crocheters will be overjoyed with this treasure trove of 100 brand-new designs from two of the most famous names in needlework. From classic to cutting edge, these projects feature all the wonderful new yarns, introduce unusual new ways to do square motifs and unique borders, and include a wide range of designs, not just for crocheters, but for often neglected knitters. Here are afghans for every reason, season, and room in the house: masculine patterns just for him, charming kid and baby designs, frilly boudoir creations, take-alongs for outdoor games, patchwork patterns, even lap-ghans to warm Grannys knees. Easy-to-understand instructions and marvelous photos make it fun and easy to choose and create these extraordinary afghans!
