

# Backyard Design: Making the Most of the Space Around Your House

With more than 200 beautiful color photos, BACKYARD DESIGN is a complete resource for yard design, planning, and construction. The first section contains case studies on 20 different yards and describes the problems, the solutions, and how to put the plans into action. The second section shows how to translate design ideas into reality in ones own yard. Using more than 40 step-by-step drawings, it explains a wide range of projects.
