

## Angels, Anarchists & Gods

Felver is a portraitist who collaborates with his subjects, drawing out their presence and embracing its momentary flash of visibility. Powerfully present are such well-known personalities as Allen Ginsberg, Susan Sontag, Maya Angelou, Arlo Guthrie, Angela Davis, B.B. King, and Jimmy and Rosalyn Carter. The 200 images collected here speak to the shared cultural heritage of unrestrained voice and stubborn struggle.
