

Shock Pao is the best. There isnt a system he cant crack into, nothing he cant steal for the right price. Outside virtual world the Slip, though, hes a Fail—no degree, no job, no affiliations to protect him from angry ex-customers. Of which he has quite a few. So when his ex brings Shock a job which could help him escape his miserable existence, he accepts, little realizing that it will turn out to be his most impossible, illegal and insane assignment yet.
