

Owen Sound in Photos, Saving Our History One Photo at a Time (Cruising Ontario Book 8)

Owen Sound, Ontario is the subject of Book 8 in the Cruising Ontario series of books of photographs of towns and cities in Ontario. The photos show the architecture and design of old buildings, many that are over 100 years old. Sometimes there are descriptions of the buildings and some background information, but mostly it is a visual experience to enjoy. Owen Sound is a town where we have spent many hours wandering its streets, relaxing in the parks, visiting the waterfalls, and soaking in the sunshine at the beach.
