

Embroidery & Patchwork Revisited-An Illustrated Guide to Hand Stitching

Inspired by antique quilts - revisited to celebrate hand-stitching today, Jan Vaine's new book is a must-have for everyone who admires the timeless beauty of hand embroidery. Beginning with In the classroom with Jan teacher, author and embroidery expert Jan Vaine walks you step-by-step through all you need to know. Piecing the sampler block including patchwork block templates. Embroidering the sampler block including supplies and techniques. Stitching illustrations for each of the 16 basic stitches. Small practice projects. Patterns for blocks, stitch combinations and embroidery motifs. Spectacular quilt projects clearly show how embroidery enhances and complements curved and straight-edged piecing and applique in a way that is both orderly and engaging. Prepared with precision for all skill levels. Basic stitches beautifully illustrated. Filled with design ideas and stitch patterns. For all skill levels. Small and large projects. Ideas and inspiration for all hand stitchers
