

French Hand Sewing, Vol. 1

A unique, illustrated guide to the delicate art of French Handsewing from tucking to intricate embroidery to soft lace work, everything you want to know about the art of creating handsewn clothes is explained and pictured in this encyclopedia of handsewing. Sarah Howard Stone has written a masterpiece of instruction with the goal of preserving the heritage, beauty and creativity of handsewing. FRENCH HANDSEWING is a long awaited reference book eagerly sought by seamstresses everywhere. For the first time, artisan techniques, detailed designs, and flowing stitches are described in this handsome bound volume you will be proud to own. Covering basic instruction to complex tucking, every page of FRENCH HANDSEWING is valued by both the novice and the experienced seamstress
