

The latest issue in this highly successful review series. The chapters review the important developments in critical care. It is essential reading for the trainee and practising physician/anaesthetist working in the critical care unit. Since it will provide short reviews of a wide range of topics covered in a large number of journals, a great deal of time will be saved - no need to scan all those journals!

Sew Special Fat Quarter Gifts, Natural Approach to Ophthalmology and Otolaryngology, Quilting Patchwork Baby Quilts, Improvisational Quilts: Renwick Gallery of The National Museum of American Art - August 25, 1995 to January 1, 1996, Captain Awesome And The Easter Egg Bandit (Turtleback School & Library Binding Edition), Starmind, Die tiefenpsychologische Menschenkenntnis nach Sigmund Freud (German Edition), An Age of Limits: Social Theory for the 21st Century,
