

Fifty Great Celtic Reels Vol. 1

Being continually featured in popular movies and music, Irish music is as popular as ever. Compiled by Gregory Mahan, an Irish whistler since 1995, this collection offers a wide variety of reels, from well-known favorites such as Miss McLeods, the Merry Blacksmith, and The Silver Spear to tunes which may not be as well known at your local pub, such as Rakish Paddy and the Humours of Scarriff.

The sheet music in this book is suitable for any lead line instrument typically used in Irish music, such as fiddle, flute, tinwhistle, and uilleann pipes. Also includes notes on playing in the Irish style as an added bonus, as well as an updated introduction from his Celtic Jig series.
