

The Crafty Cat Knits: Knitting Projects for Cat Lovers

The Crafty Cat Knits is a departure from the authors usual dog breed knitting books of which she has seven titles in The Crafty Dog series from Kanine Knits. Author/Designer Peggy Gaffney, instead of taking on a single breed, captures a dozen breeds from the cat world, including: Persian, Siamese, Maine Coon, Ragdoll, Scottish Fold, Chartreux, Norwegian Forest, Tonkinese, Birman, Devon Rex, Russian Blue and companion cat. She then illustrates them as intarsia knitting designs. Each breed is written about as to background and distinctive characteristics. Then each breed is charted out as an intarsia pattern. Each cat can then be knit into one of the 25 different knitting projects, from sweaters, hats and scarves to afghans, a pillow and even a Christmas stocking. Patterns are sized for children and adults, from infant to mens 2x. The book is illustrated with more than 70 photographs of these cats. Debbie Macomber, best selling author and knitter, has said, Peggy Gaffney has introduced a new idea into the knitting realm...youre in for a real treat. Martha Stewart Living Omnimedia posted on Twitter, saying that Peggy Gaffney great knitter we love her Martha is a big fan of Kanine Knits.
