

Our cats and all about them; their varieties, habits, and management

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1889 edition. Excerpt: ... with graceful curve, and marked with black rings. Size And Condition 10 Large, lithe, elegant in all its movements; hair smooth, clean, bright, full of lustre, and lying close to the body, all betokening full health and strength. Total 100 K CHOCOLATE, CHESTNUT, RED, OR YELLOW TABBY, STRIPED, SHORT-HAIR. POINTS Head 10 Small, broad across and between the eyes, rounded above, below tapering towards the lips, nose rather long than short, ears of medium size, narrow and rounded at apex, broad at the base. Eyes 15 Orange, gold, or yellow, in the order of the above names, large, round, full, and very lustrous. Fur 10 Short, of even length, smooth, silky, and glossy. Colour 20 Deep, rich, reddish-brown, bright red, or yellow, in the order as above, brighter inside the legs and belly; ears and nose deeper colour, the latter at the tip red, edged with chocolate. Markings... 20 Dark, rich brown or chocolate, lines not too broad, scarcely so wide as the ground colour shown between, so as to give a light and brilliant effect; when the lines are broader than the colour space it is a defect, being then light colour markings on dark brown or chocolate, red or dark yellow, instead of colour marked with deeper colour. Head and legs marked regularly, the rings on the throat and chest being in no way blurred or broken, but clear, graceful, and continuous; lips, cushions of feet, and the back of hind-legs, and the ear-points, dark. Yellow tabby, the cushions of feet red, or light red. POINTS Form 10 Narrow, long, graceful in line, neck rather long and slender, shoulders receding, well-sloped, and deep, legs medium length, not thick nor clumsy, feet

round and small. Tail. Long, thick at the base, and narrowing towards the end, carried low, with graceful curve, and...
