

Ever heard of a travel psychologist? Michael Brein is the worlds first and perhaps only travel psychologist and has created a unique travel audiobook series on the psychology of travel as revealed through the fantastic travel stories of more than 1,600 world travelers and adventurers whom he has interviewed over the last three decades. The first audiobook in the series, Travel Tales of Michael Brein: My Top 10, is a collection of Michaels best of the best of his own personal travel tales. Included are some harrowing tales of close calls and great escapes as well as some of his zaniest and funniest travel experiences. This audiobook is the Lite edition of Michaels own, personal travel stories. The Full edition - Travel Tales of Michael Brein: My Best 100 - containing more than 100 of Michaels best travel stories--will be available shortly. If you are a traveler, youll surely want to read the personal accounts of Michael Brein as he goes behind some of his most interesting travel experiences, revealing a rare psychological look at what can and does happen to you when you travel in exotic, strange cultures. Is Michael for real? After reading these tales you might wonder whether Michaels travel experiences are real and revealing or a simply a figment of his own rich imagination, and, finally, whether he should maybe be locked up in a padded cell and not allowed to travel anywhere. Read and decide for yourself!
