

World Enough, and Time is the first book of this spellbinding action adventure trilogy. In a post-apocalyptic world 200 years from now, humans are a dying species. When Joshuas wife is kidnapped by a griffin and a vampire, he and his comrades, a centaur and an android, set out to rescue her across a surreal landscape filled with seemingly mythological creatures. But the explanation for the existence of these beasts is based in science, and informed by nightmare. And the odyssey isnt over until they confront the evil cabal whose goal is nothing less than the extinction of the human race.

Beyond Basic Dog Training (Hardcover)--by Diane L. Bauman [2003 Edition], Life Art X: God, THE FINAL PIECE OF THE PUZZLE, Essentials Of Psychology: Concepts and Applications, Oxford Handbook of Clinical Specialties (Oxford Handbooks Series), Books One to Three Omnibus (Armada Wars), Sing-A-Song All Year Long, The Music of George Gershwin Plus One: Tenor Sax (Book & CD),
