

The Wonderful World of Fairy Gardens Presents: Your Collection of Fairy Garden Ideas Volume 4

Welcome to the magical world of fairy gardens which is presenting your collection of magical fairy garden ideas. Volume 4 This book has been certified and approved by fairies worldwide. The feature story in this book is about Tillie the Tailgate Party Fairy. Yes, it might be hard to believe that fairies do have tailgate parties. You'll learn what sports they play, how their magical fairy dust plays a part in all their sports. You'll see the funny side of fairies when they all get together for a tailgate party. Now you know Tillie is the reigning tailgate fairy party Queen and is very proud of it and is looking for innovative magical fairy ways to keep her crown. This is a happy, lighthearted fun fairy story for all ages. One of the themes and ideas in the book is all about tailgate accessories. You'll be surprised how many fun accessories, fairies have to enjoy a tailgate party. There is even a fairy radio, which they use their fairy dust on to create whatever music they want to listen to. There are also games for them to play to enjoy their day. Another fantastic idea is featuring flower fairies. Here you can choose your favorite flower and the flowers are going to put your fairy garden to match up with your personal fairy garden fairy. It's always a good idea to match your fairy to the flowers in your garden so that they are more concealed and hidden from unbelievers. There are so many beautiful flower fairies to choose from, it will be a difficult choice. Or maybe you'll want to get some adorable fairy garden pets for your fairies. Perhaps you're looking for magical bunnies, birds to fill the air with music, or even your fairies own personal Dragon. It is said to be good luck in your fairy garden if your fairy has its own Dragon as a pet. No doubt you'll be busy picking out one or two, or as many pets you feel will make your fairy happy. We also tell you what's trending in fairy gardens 2015 and what's hot. There are

even suggestions on fairy gardening in a container. You can use so many different kinds of containers for fairy gardening, as much as your mind can imagine. You can create fairy gardens inside year round or you can create fairy gardens outside that are seasonal. The choices are endless. Remember, if you are a believer in the magical world of fairies, be sure to walk slowly through your own gardens as you will surely catch a glimpse of your own garden fairy-let me know what kind of fairy resides in your garden! I hope you enjoy your magical journey through the wonderful world of fairy gardens! Also included are resources for you to start, create, or redecorate your fairy gardens.
